

EVENTS WINE LIST

2010

For your assistance we have created our events wine list and all wines featured should be readily available for parties of all sizes.

Should you wish to depart from our events wine list, our full selection of restaurant wines, especially selected from around the world, is also available for your perusal on request. As some of the wines are rare, although we will do our utmost, we may not be able to provide them in quantity.

Please do not hesitate to ask for assistance. We want you to fully enjoy your meal and the right wine matched to the right dish is a match made in heaven!

MINERAL WATER

The Strathmore Spring starts life as rain falling on the hills of the Vale of Strathmore. The water filters down gradually through layers of sandstone which is over 400 million years old. The process of converting rain into this refreshing mineral water takes approximately 50 years.
